**Budget Review**

\* AV equipment & Oct. Church Council: Cheryl reviewed her research. We brainstormed benefits to church and cost-sharing for equipment and repairs. She and I will attend the next council meeting.

\* Quilt Stands: cost, weight, and storage challenges were discussed. Our quilt show will be on alternate years from Saintly Stitchers, the possibility of renting (\$150-250) was discussed. We share a few members, that may be an advantage. No action taken on a road trip to see the stands in Menomonie at this time. *(Note: assign duty to Quilt Show Team)*

\* Budget Spending Policy: *not stated in Guidelines*. We agreed that expenditures over \$500 that are not stated in the budget need to be approved by members, 2/3 quorum, and voting may be at meeting, via email or phone. Approved.
